Summary

I'm Anurag Singh, a seasoned computer science engineer with 3.5 years of experience, specializing in MERN stack, AWS, UI-UX, and related technologies. I played a pivotal role at Ayum. developing a healthcare app from scratch to production to real world use where it had around 10,000 user's engagement. Following a 3-month internship at Sortwind Private Limited as MERN stack web developer Intern, I joined Onchanneladmin (MODERN TECHSERV INDIA - OPC) as a Full Stack Web Developer, where I'm currently contributing my skills and expertise.

Work Experience

Full Stack Web Developer

Ayum Healthcare Private Limited

December 2021 - August 2022
- Created Complete App Architecture and UI from Scratch and get hands on experience with User Experience Fundamentals
